

Dear Educator,

*Cama'i* – Hello

### ***Cutmen Agnguartukut- We Are Dancing Forward***

This box contains educational materials that share the history and story of Alutiiq dance. The creation of the dance box was made possible by funding from the Munartet Project and the Alaska State Council on the Arts.

The materials in this box are outlined in the inventory checklist. Before using, please go over the checklist to verify that all contents are present. Please remind your students that these resources are from the museum and need to be treated with care so that we may share them with others.

We understand that occasional accidents happen. If such an event does occur, please let us know by leaving a note in the box so we can replace or repair the items.

All the materials and resources are for your use, there are lesson plans and activities that we suggest for specific age groups. We encourage you to incorporate your own ideas and teaching methods to fit the needs of your audience. These lesson plans include modifications and additional resources to provide alternative activities. The box also includes a USB flash drive with the box's resources for your convenience.

Before you return the box, please go over the checklist and ensure that all materials are present. Finally, we hope that you will share your experiences with us. Please take a moment to complete the teacher evaluation form which will help us improve this box and future traveling kits.

*Quyanaasinaq* – Thank you very much.

Sincerely,

The Alutiiq Museum Staff
