

Alutiiq Museum Renovation

Improving our facility to serve you better

More than 500 museum visitors told the museum we needed more space. They asked for more exhibits, and places to learn, create, and celebrate. Our renovation is addressing these needs.

- ✓ *Double the gallery space and all new exhibits*
- ✓ *Classroom and gathering spaces for workshops and events*
- ✓ *A larger museum store to showcase artwork and artists*
- ✓ *More collections storage for heritage research and repatriation*
