Step 1

- Draw, copy, or trace hat stencils on a separate sheet of paper and cut them out.
- Trace hat stencils on foam or paper and cut out.
- Use colored markers to draw designs on cut out hat shape.

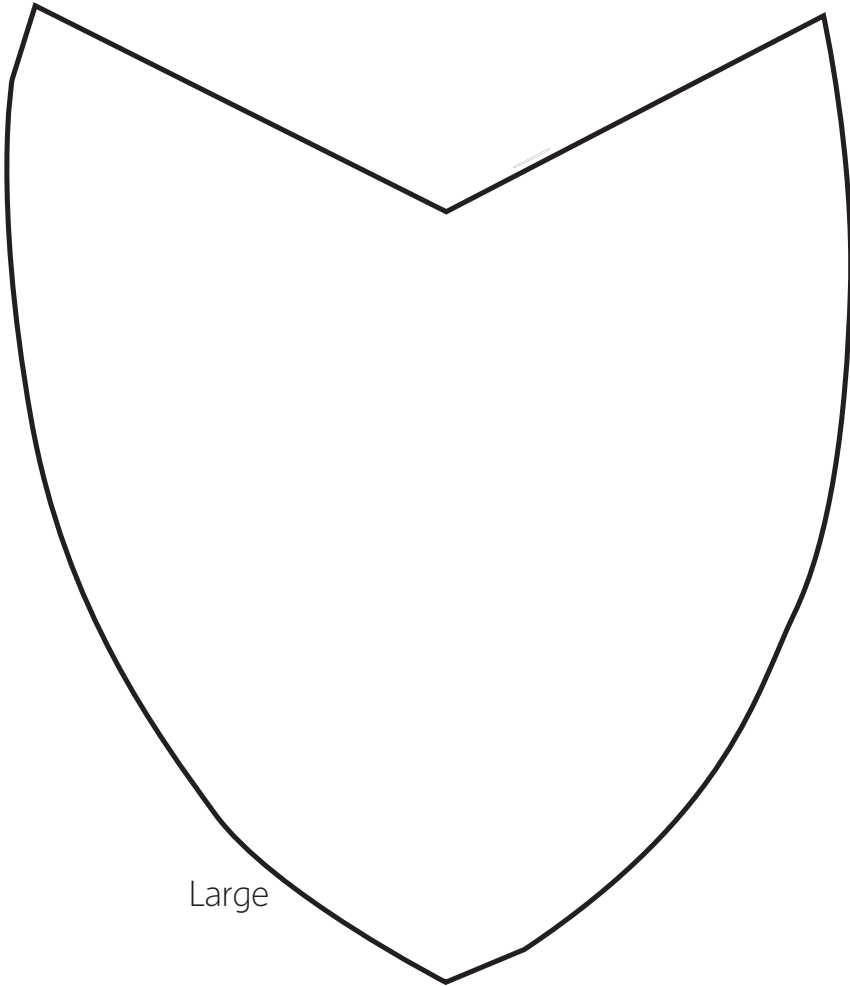

Step 2

- Sew on any desired beads.
- Glue or sew the two ends of the hat shape together.
- Use small pieces of craft wire to decorate the back of the visor. Add beads to the wire if desired.

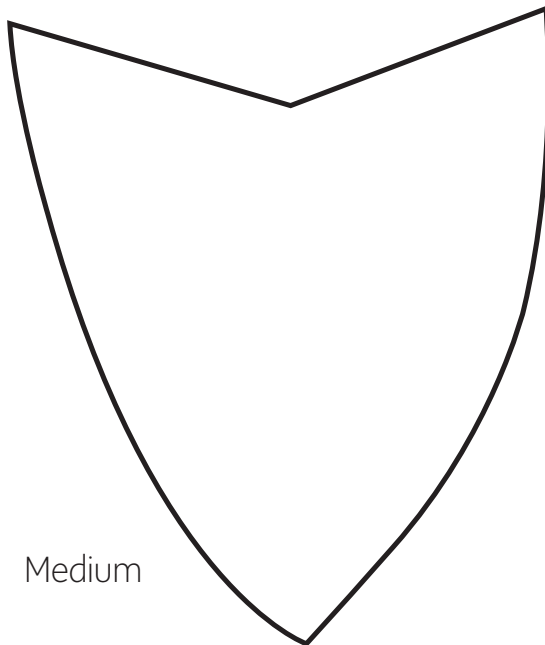

Step 3

- Cut a small piece of ribbon or string and slip through the small hole formed at the top of the hat to create a hanger. Secure on inside with knot or glue.
