

## Cama'i – Hello,

Renovation of the Alutiiq Museum is winding down. As construction enters its final stages, we are ramping up exhibit fabrication. Staff are busy creating a whole new set of displays to fill our new exhibit hall. Mark your calendars, our grand reopening will be May 22, 2025 and everyone is invited. In the mean time, we have many programs and resources to share. Fall is a great time to participate in a beading workshop, listen to a lecture, or start shopping for holiday gifts!
