

Cama'i – Hello,

The coming months are the perfect time to explore the latest additions to our gallery and store. From jewelry acquisitions to new products, there is always something for you to discover. We hope to see you at our upcoming community events. On Friday, February 6th, from 5 to 7 pm, we are hosting an Open House for KITA (Kodiak Island Traditional Arts Project). KITA is dedicated to revitalizing the Alutiiq arts economy by creating sustainable opportunities for Alutiiq artists to support their families and heritage. Camiku Tang'ricqamken - See you soon!

Field Trip Season

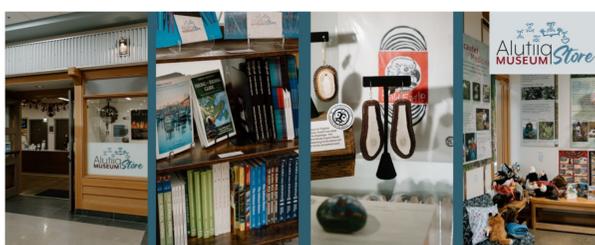

Spring is traditionally field trip season for students in Kodiak schools! If you are considering bringing your class for a field trip to the Alutiiq Museum and other museums/sights downtown, we recommend scheduling early and visiting before May. May is a busy cruise ship month, so visiting in February, March, or April will ensure that your class can explore the museum at their own pace. Use the tour reservation form on our [website](#) or call us at 844-425-8844 to schedule a tour.
