

Cama'i – Hello,

We have big news! The Alutiiq Museum is thrilled to share that we received reaccreditation from the American Alliance of Museums at the end of March. This certification reflects a rigorous, multi-year process and the dedication of our entire team. Join us in celebrating this achievement by visiting the museum soon. As we move into spring, cruise ship season is just around the corner for Kodiak. The first ship arrives on April 24th. We look forward to a busy time of year welcoming new visitors and sharing Alutiiq history and culture. Quyanaa—thank you for your continued support.

Native Artist Opportunity

Teaching Artist Training

In collaboration with the Kodiak Arts Council, we are excited to offer a Teacher Artist Training on April 25th from 10 AM to 4 PM. Native artists have registration priority, but the training is open to anyone looking to expand their skills. The training aims to build competence and confidence while teaching participants how to present their art in an educational format. Attendees will learn from an established local artist about organization, lesson planning for in-school teaching, and more, with support from the Administration for Native Americans through the KITA Project.

To learn more or to register for the Teaching Artist Training, please contact Veronica Johnson, Project Coordinator for the KITA Project at veronica@alutiiqmuseum.org.
